ABOUT THE SKYLUR J. SPAGONE MEMORIAL FUND

OUR VISION: Skylur J. Spagone Memorial Fund seeks to enhance the quality of children's lives by providing the resources to help in our community.

We believe that it is our responsibility, along with the community is to provide an atmosphere of mutual concern with a Stop, Look, and Listen attitude towards the large and small details of learning, exploring, playing, and growing.

HISTORY

The Spagone family went through an experience every parent fears. They lost their only daughter, Skylur at the tender age of 2 in a tragic accident.

Skylur's life, however brief, inspired the establishment of the Skylur J. Spagone Memorial Fund. Established in May 2000, by a dedicated group of Skylur's family and friends, with the idea and purpose of focusing the Fund's attention towards children in East Bridgewater.

Skylur missed her opportunity to learn, to explore, to play, to grow, to be a child, the vision is simple, no child for any attainable reason should miss the experiences of life.

MEMORIAL FUND RECIPIENTS

The Skylur J. Spagone Memorial Fund began distributing financial and leadership support as of January 2001 to local and national organizations in behalf of many East Bridgewater children.

Over \$185,000 has been awarded to children in East Bridgewater over the past 18 years. The Fund values the growing process of childhood, we are continuing to find ways to aid and guide the development of East Bridgewater children.
